## HIGH-PERFORMANCE CONNECTIVITY, READY FOR CURRENT AND FUTURE DEMANDS.

### DISTINCTIVE SEAL

Connectivity solutions that combine accessibility and enterprise-grade features: from access points to routers and switches.

### WHY CHOOSE IT?

Ideal for SMEs looking for reliable, easy-to-manage Wi-Fi solutions with exceptional performance at a price that fits their reality.

## SOLUTIONS DESIGNED TO ENSURE SECURE, AGILE, AND HIGHLY AVAILABLE NETWORK PERFORMANCE

### DISTINCTIVE SEAL

Its ability to deliver high-performance wireless connections that eliminate physical infrastructure barriers.

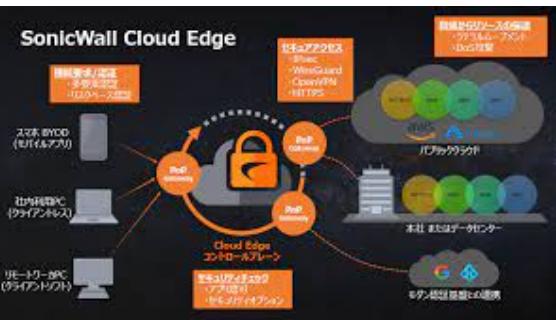

### WHY CHOOSE IT?

Choosing this means opting for a network infrastructure designed to provide maximum reliability and security in demanding enterprise environments. Its solutions allow organizations to grow with confidence, supported by technologies that combine innovation, simplicity, and proven performance.

## CYBERSECURITY SOLUTIONS THAT PROTECT YOUR NETWORK, YOUR USERS, AND YOUR DATA AT ALL TIMES.

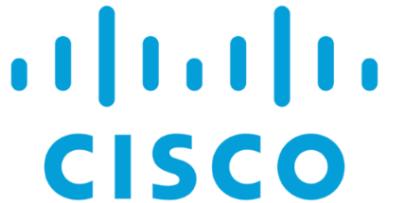

### DISTINCTIVE SEAL

Security technology that combines advanced prevention, encrypted traffic inspection, and access control.

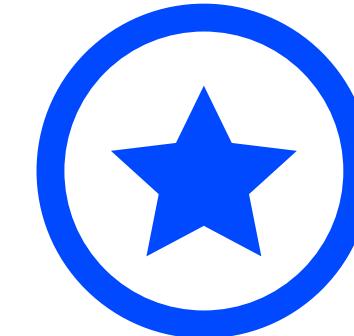

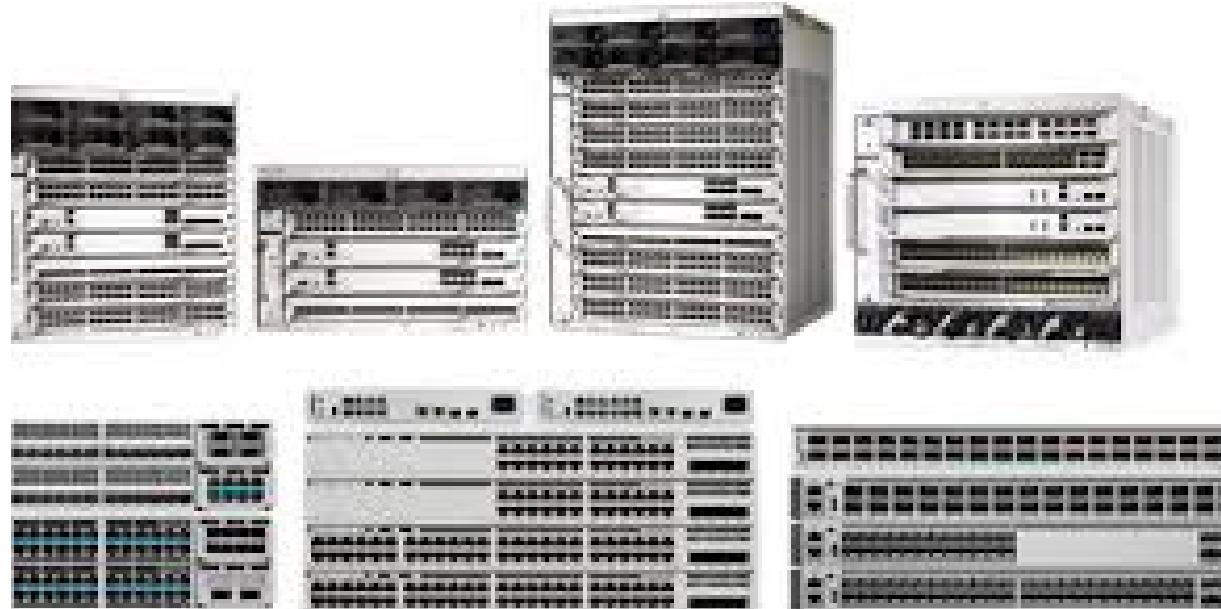

### WHY CHOOSE IT?

SonicWall offers reliable, easy-to-manage security validated in enterprises worldwide

# WORLD-LEADING NETWORK INFRASTRUCTURE DESIGNED TO ENSURE SECURITY, PERFORMANCE AND SCALABILITY

## DISTINCTIVE SEAL

Constant innovation in switching, routing, and next-generation Wi-Fi, backed by global support.

## WHY CHOOSE IT?

Cisco offers proven reliability and the technology needed for your network to grow without limits.

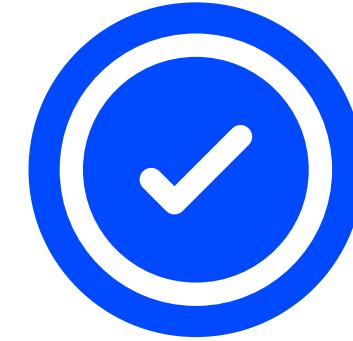

## **SERVER AND STORAGE INFRASTRUCTURE DESIGNED TO MAXIMIZE PERFORMANCE AND AVAILABILITY.**

### **DISTINCTIVE SEAL**

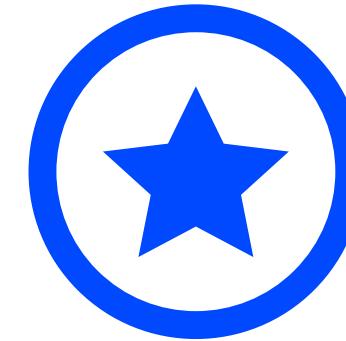

We provide robust connectivity where traditional infrastructure is not an option.

### **WHY CHOOSE IT?**

It combines innovation and reliability in solutions that grow with your business

## HIGH-PERFORMANCE NETWORKS FOR DATA CENTERS AND ENTERPRISE CAMPUSES.

### DISTINCTIVE SEAL

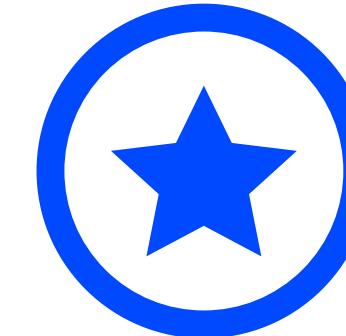

Our differentiator is unlimited scalability in switching and routing solutions, offering a robust and agile infrastructure that evolves with your needs, ideal for high-performance environments that demand reliability and constant growth.

### WHY CHOOSE IT?

When you need to scale without limits, Arista is your ally. Ideal for large infrastructures such as data centers and enterprise campuses, our solutions are designed for networks that grow with your business.

## INTELLIGENT ENTERPRISE NETWORKS THAT COMBINE AUTOMATION, SECURITY, AND HIGH PERFORMANCE

### DISTINCTIVE SEAL

Open and scalable architectures that allow for cost optimization and maximized efficiency

### WHY CHOOSE IT?

It is the reliable alternative for companies that seek innovation without complexity.

# **THE TRUST OF INDUSTRY LEADERS IN US**

**DO YOU NEED A SOLUTION FOR YOUR COMPANY?**

# DRIVING INNOVATION THROUGH TECHNOLOGY
